Modern live music for events that stay in your memory.

The Jetset Society is a professional event band from Vienna for discerning occasions. Thanks to custom arrangements, the musical quality remains consistent across different lineups - from 4 to 11 musicians. The repertoire includes more than 800 songs and combines classics, modern hits, dance music, jazz, lounge and many other styles into one stylish and flexible concept.

What defines The Jetset Society

Flexible lineups

From an elegant small setup to a large gala formation - tailored to event size, schedule, venue and atmosphere.

Quality before volume

Dynamics and volume are adapted deliberately to the room, the audience and the flow of the event.

EVENTFORMATE

Suitable for many event formats

Weddings, balls, corporate events, galas, jazz and lounge formats, receptions, dinners and hotel events.

Stylish & professional

A consistent dress code, clear communication and a confident stage presence create a coherent overall impression.

Personal support

From the first enquiry to the live event, with one contact person and professional preparation.

"Premium live entertainment does not begin on stage - it begins with clear and professional event preparation."

Lineups & musical dramaturgy

All songs have been prepared specifically for flexible live lineups. This keeps the character, energy and quality of each title coherent even when the formation changes.

4 musicians

Ideal for smaller events, stylish receptions, dinners, ceremonies and formats with limited space.

5-6 musicians

A very balanced option for small to medium weddings, corporate events and Christmas parties.

6-8 musicians

Ideal for larger celebrations, balls and weddings with a stronger party character.

8-11 musicians

For large events, galas and balls with higher demands in sound, presence and stage impact.
