The band

The Jetset Society is a live band and event band from Vienna. Everything is played and sung 100% live – nothing is mimed and there are no backing tracks. All musicians are full-time professionals with a completed music degree, most of them from Vienna and the surrounding area. The band has written its own arrangements for the whole repertoire: every song on the repertoire list can be played live in any lineup from 4 to 11 musicians. Stylistically it stretches from pop, soul, disco, rock and Austropop through jazz, lounge, dinner music and background music to ballroom dances, waltz, polka, oldies, evergreens, Schlager and current party hits.

Flexible lineups

The Jetset Society plays in flexible lineups of 4 to 11 musicians; for jazz, lounge and dinner settings, smaller groups are possible, from 3 musicians.

Musical quality over volume

We adapt the volume to the room, programme item and audience. Reception and dinner stay easy to talk over. The later dance floor can carry far more energy.

Our own arrangements

What changes with the lineup is the arrangement, tonal colour and stage impact – not whether a song can be played at all.

Polished and professional

A consistent dress code, clear communication and a professional way of working give organisers, companies and wedding couples confidence.

German and English

Enquiries, planning and on-site coordination run in German and English, and on request the announcements from the stage are made in English as well.

One person to talk to

From your first enquiry onwards, Thomas Gindl – founder, bandleader and musical director – is your single point of contact, and on the night he is there in person whenever possible.

Lineups

The right lineup depends on the occasion, room size, number of guests, the schedule and how present the music should be. Every song on the repertoire list can be played live in any lineup from 4 to 11 musicians.

Beyond the core four, every further musician is chosen freely for the occasion: another voice, guitar or horns – saxophone, trumpet and/or trombone.

LINEUP	INSTRUMENTS AND VOICES	SPACE REQUIRED
EVENT BAND		
4 musicians (quartet)	The event band's core lineup: keyboard, bass, drums and vocals, with a female or a male singer – in principle it can play every song on the repertoire list.	approx. 10 m²
5 musicians (quintet)	The core lineup plus one musician chosen for the occasion: another voice, guitar or a horn player (saxophone, trumpet or trombone) – in the event band, horns are an option from 5 musicians.	approx. 13 m²
6 musicians (sextet)	The core lineup plus two musicians chosen for the occasion, in any combination.	approx. 16 m²
7 musicians (septet)	The core lineup plus three musicians chosen for the occasion, in any combination.	approx. 19 m²

JAZZ LINEUPS		
3 musicians (trio)	Instrumental jazz trio: piano, double bass and drums, with a setlist chosen for receptions, jazz, lounge and dinner.	approx. 7 m²

Lineups

OCCASION	RECOMMENDED LINEUP
Wedding	5 to 7 musicians
Corporate event	5 to 8
Party (birthday, anniversary, private celebration)	5 to 9
Christmas party and year-end celebration	5 to 8
Ball (including graduation balls / Maturaball)	6 to 11
Gala	5 to 10
Trade fair	4 on the stand, 6 to 8 in the evening or at the trade fair party
Wedding ceremony	2 to 4
Agape (the Austrian post-ceremony drinks) and drinks reception	4 to 6, or an instrumental jazz trio
Jazz, lounge and dinner	3 to 5
New Year's Eve	6 to 10

For quieter, conversation-friendly settings – jazz, lounge, dinner, a drinks reception or the agape – lineups from 3 musicians are possible, with a setlist put together to suit. Every occasion can be played in any lineup size from 4 to 11 musicians, and the wedding ceremony also with 2 or 3 musicians. Once vocals, several musical phases and a later dance floor come into play, The Jetset Society usually starts at 4 musicians. The space required is a guide figure rather than a fixed requirement – in our experience the band finds room in tighter spaces too.

Show formats and repertoire

Alongside the flexible event band programme, The Jetset Society offers four self-contained shows. All four shows are played entirely live and can be booked on their own – as a stand-alone performance, including as a concert programme for the whole evening – or as part of a full evening of live music; a more compact version is available on request.

ABBA show with a live band · approx. 90 minutes

The biggest ABBA hits live as a show block, performed by The Jetset Society as a live band rather than a lookalike act: no costume impersonation of the original members. If you are looking for an "ABBA tribute show", what you get here is the music, not the dressing-up. From "Dancing Queen", "Mamma Mia" and "Waterloo" to "The Winner Takes It All" and "Super Trouper", plus two full medleys. A highlight for corporate events, Christmas parties, galas, birthdays and parties, and playable in any lineup from 4 to 11 musicians.

Musical homage to Udo Jürgens · approx. 1 hour

A programme in its own right, built from "Griechischer Wein", "Ich war noch niemals in New York", "Aber bitte mit Sahne", "Merci, Chérie", "Mit 66 Jahren" and "Vielen Dank für die Blumen" in the repertoire, together with "Ein ehrenwertes Haus", "Immer wieder geht die Sonne auf" and "Was ich dir sagen will", plus a medley – well suited to galas, anniversaries, corporate events and festive evenings.

A Mediterranean Evening · approx. 100 minutes

Around 100 minutes of Italo pop, French chanson and Latin pop, sung in Italian, Spanish and French. The programme takes in "Volare", "Azzurro", "L'Italiano", "Sarà perché ti amo", "Bésame mucho", "Guantanamera", "Eviva España", "Les Champs-Élysées" and "Comme d'habitude", among others. A natural fit for summer parties, garden parties, winery and hotel evenings, dinners and weddings – and with cha-cha-cha, samba, rumba and paso doble it works on the dance floor as well.

Oktoberfest and Wiesn programme · up to approx. 6 hours

Oktoberfest atmosphere from Bohemian polka and brass-band music through Schlager and sing-along hits to Neue Deutsche Welle – among them "Ein Prosit", "Fliegerlied", "Atemlos durch die Nacht", "Don't Stop Believin'" and "Skandal im Sperrbezirk". Suited to weddings in Tracht (traditional Alpine dress), Tracht and Wiesn parties and Oktoberfest-style corporate events; some of our musicians play at the Munich Oktoberfest every year, in the Schützen-Festzelt. On request the band performs in Tracht.

Anything from the repertoire list is included in our existing arrangement. A song that is not on the list is learned specially on request, with the extra preparation shown in the quote. A selection of our repertoire is at thejetsetsociety.at/en/repertoire.

Contact and enquiries

For a no-obligation quote, the date, venue, occasion and the playing time you have in mind are enough; guest numbers, running order and technical details help as well and can follow later. You can send an enquiry at any time via the enquiry form, by email or on WhatsApp.
